The experiences and progress of children who need help and protection									
Recommendations:	Ref:				Measure/outcome:	Lead officer:	DLT lead:	Comments:	RAG status:
	1.1	Review and revise layout of Early Help plans in partnership with Multi- Agency Practitioner Forum (MAPF)	Jan-17	Feb-17		RG	СР	Early help plans are being reviewd by MAPF and parents. It is in the work plan this term, as the MAPF was completing other work in February.	Amber
	1.2	Consult families/CYP and partners on the CAF	Jan-17	Feb-17		RG/JF	СР	Families have been consulted on the old CAF, and will be consulted on the new draft CAF.	Green
	1.3	Review and revise layout of Child Protection plans	Jan-17	Feb-17		RG	СР	All templates updated with SMART plans. Including CP/CIN/PEP. These are in use. A review will take place to see if quality plans are SMARTer as a result of better form design.	Green
Ofsted recommendation 1: Further improve the quality and consistency	1.4	Review and revise layout of Care Plans and ensure that they are implemented in practice	Jan-17	Feb-17	consistently SMART 2)Children and young people's views are incorporated	RG	СР	All templates updated with SMART plans. Including CP/CIN/PEP. These are in use. A review will take place to see if quality plans are SMARTer as a result of better form design.	Green
of written plans for children, including early help plans, child in need plans, personal education plans and pathway plans. These should be clear and simple, fully integrate the views of children and young people and clearly state what is to be achieved by when.	1.5	Virtual Head to ensure the language in the Personal Education Plan (PEP) is simple, SMART and that children and young people's views are incorporated in every PEP	Jan-17	Feb-17	3) Annual quality assurance audits of all cases confirm that actions on written plans have timescales, are achievable and reflect the voice of the child 4) Partner agencies are able to contribute to plans where		СР	All templates updated with SMART plans. Including CP/CIN/PEP. These are in use. A review will take place to see if quality plans are SMARTer as a result of better form design.	Green
	1.6	Service Manager to develop an example Pathway Plan with simple targets. Staff to use group supervision to look at SMART targets and simple writing for Pathway Plan	Jan-17	Feb-17	appropriate	RG	СР	Pathway plans have been updated with SMART plans.	Green
	1.7	Sign-off the relevant plan templates through Children and Families Team, CSMT and SIB	Feb-17	Feb-17		RG	СР	Templates are in use, and will be reviewed at the next SIB.	Green
	1.8	Initiate pilot of new plan templates in	Mar-17	Mar-17]	RG	СР	done	Green
	1.9	Begin evaluation of new plan templat	Sep-17	Sep-17		RG	СР		Green

The experiences and progress of children who need help and protection									
Recommendations:	Ref:	Action:	Start:	End date	Measure/outcome:	Lead officer:	DLT lead:	Comments:	RAG status:
	2.1	All open cases to children social care where the family disengages will activate the triple-lock mechanism to support decision-making regarding closure or continuation of case	Jan-17	Jan-17		RG/PD	СР	Case notes show the triple lock management system on next steps after disengagement. Casenotes also show a thorough review of threshold where there is a clear 'no' to futher intervention.	
	2.2	If case continues, review and revise the plan with clear timescales with a further review at no later than 3 months to determine case status	Jan-17	Jan-17	Chronologies are updated every 3 months and maintain a clear record		СР	In place. Once permanent IRO/CP chair is in place, CIN reviews can be chaired by this person, to add additional robust review and external challenge to CIN cases.	Green
Ofsted recommendation 2: When families disengage from services and the threshold is not met to escalate the case further, ensure that any ongoing work is purposeful and that case records clearly evidence managers' rationale for ceasing or continuing support	2.3	Review Practice Standards and revise accordingly to reflect: 1) requirement for chronologies to be updated every 3 months 2) triple lock mechanism	Jan-17	Jan-17	of significant incidents, themes and patterns in children's lives. 2) Families that disengage are signposted to other services/provided information for accessing other services		СР	complete. Next review of practice standards is in June.	Green
	2.4	Thematic audit on closed cases	Sep-17	Sep-17		PD	СР	on target	Green
	2.5	Update report on compliance to go to	Mar-17	Mar-17		PD	СР	Review will go to SIB in June.	Green

All Children in Need cases, regardless of engagement or disengagement, to have up-to-date chronologies on file		Ensure that an up-to-date chronology is on file and has been reviewed by the Team Manager as part of the sign off process (RG to lead) November audits to review evidence	Sep-16 Sep-16		2) Chronologies are updated every 3 months and this is reflected in the Practice Standards 1) Measure compliance through		СР	Not yet consistently embedded across all workers. complete.	Amber Green
		that the plan is updated to reflect continuation of work and plan meets requirements as set out above in A1 (PD to lead)			audits and supervision				
	3.1	Present findings of Goldsmith research to the SIB and CEB	Sep-17	Sep-17			СР	in progress.	Green
Research on neglect linked to affluence draws on practitioner experience and identifies strategies and practice methods to address	3.2	Develop and implement single- agency training and support for social workers and managers alongside CHSCB training offer to address non-engagement from families where neglect linked to affluence is evident	Sep-17	Sep-17	1) Clearer planning and risk evaluation with clear outcomes 2) Multi-agency approach to identify risk/decision-making and who is best placed to work with the		CP		Green
non-engagement from these families.	3.3	Complete an LSCB-led multi-agency	Jun-17	Jun-17	families 3) Co-produced research between				Green
	3.4	audit on neglect cases Include a session on neglect linked to affluence at the next Multi- Agency Partnership Event in 2017 to support practitioners in working with these families	Jun-17	Jun-2017		СР	СР		Green
	A5.1	Develop a user-friendly leaflet/poster explaining how families/young people can access early help services using a simple process	Sep-16	Jun-2017	Number of new early help assessments completed over the last year	RG/JF	СР	draft design is out to consultation with families and the partnership	Green
	A5.2	Develop outreach strategies/methods to increase uptake such as strengthening links with local community services/religious institutions	Sep-16	Jun-2017	Increased number of families taking up EH services	RG/JF	СР	JF colocated within the community with key partners. Review of strategy to be completed by June 2017	Green
	A5.3	Continue to strengthen links with EH practitioners and outreach staff	Sep-16	Jun-2017	SEF/CAF evaluation from partners	RG/JF	СР	MAPF continues. Co location continues.	Green
Increase the number of families taking up Early Help services, building on existing partnership working at a strategic and operational level (Paragraph 8)		Specific targets for commissioned services re. referrals/completing EH plans and performance management (City Gateway and Youth Offending Services (YOS))	Sep-16		Invite commissioning to join EH sub-group Bring commissioned services into conversation with partners re. future plans/development at an earlier stage		СР	In place. RG attends reviews of YOS and City Gateway's contracts.	Green
	A5.5	Early Help roadshow to key partners currently not referring or completing CAFs	Sep-16	Jun-2017	Increased number of families taking up EH services	RG/JF	СР	JF is colocated and presenting Early Help offer across the partnership.	Green

Agree a suitable Early help assessment tool for partner agencies to	A6.1	Consider the possible assessment tools available, and decide on one as a partnership, with oversight of the Early Help Sub-Group.	Sep-16	Jun-2017	place and shared with partners 2) Reporting on family improvements captured in Frameworki 3) Share tool with commissioning to	RG/JF	СР	CAF is being redesigned together with partners and families. There will likely be resistence to using the assessment from some partners, and the use will need to be built in to commissioned services contracts to ensure compliance.	Green
measure family improvements so that they can be aggregated and reported on (Paragraph 9)	A6.2		Sep-16	Jun-2017	feed into performance monitoring 4) Recorded in chronology Measure no of MAREs and no of	RG/JF	СР	Distance travelled tool is used within our service, not used consistently yet across partnerhsip.	Green
	A6.3	7	Sep-16	Jun-2017	Weasure 10 to Mark Valid 10 to	RG/JF	СР	JF to complete early help annual review.	Green
	A6.4	Include children accessing Early Help services in Annual Consultation to identify areas for improvement	Sep-16	Jun-2017	Children accessing Early Help services are included in Annual Consultation	RG/JF	СР	complete	Green
sure that children's diverse needs resulting from disability, ethnicity and igion are well considered in all cases (Paragraph 16)	A7	Children's diverse needs are consistently well considered	Sep-16		Audits confirm that children's diversity needs are well considered in all cases FWi sub-group to develop a section on the file to reflect children and families' self-reported identities		СР	complete. NJ presented on inclusion of SEND and CWD and differing needs to workers across the partnership (April 2017)	Green
sure that case records are up-to-date and comprehensive, including se chronologies being kept up to date on children's files to maintain a ar record of significant incidents, themes and patterns in children's es.	A8	Case chronologies are kept up-to- date every 3 months in line with Practice Standards	Sep-16	Jun-2017	Audits confirm that case records are up-to-date and comprehensive, including chronologies	RG	СР	We are working on embedding this consistently across workers. In progress.	Green
