Main Report

Urgent Authority – London Borough of Redbridge - Aldersbrook and Lake House Parking Scheme Consultation Response [27 October 2017]

1. The introduction of a Residents Parking Zone in Forest Gate North displaced a range of resident and commuter parking to Centre and Lake House Roads, Wanstead Flats. The consequent introduction of parking restrictions on these roads has further displaced this parking to residential roads in Aldersbrook and Lake House Estates.
2. In response to increased demand for on-street parking in the Aldersbrook and Lake House areas, the London Borough of Redbridge launched a public consultation on proposals to restrict parking times or introduce a fully charged for Parking Permit Controls.
3. Both proposals will have a direct impact on parking provision on residential streets which are utilised by visitors to Epping Forest. To meet the consultation deadline of 27 October it is proposed that a response by the Chairman favouring limited time restrictions is sent to the London Borough of Redbridge.
4. Urgent authority was sought as the consultation closed on 27 October 2017 and the Epping Forest and Commons Committee was not scheduled to meet next until 20 November 2017.
