

Committee(s)	Date:
Gresham (City Side) Committee	4 May 2018
Subject: Gresham Working Party Representatives	Public
Report of: Town Clerk	For Decision
Report author: Sacha Than, Committee & Member Services Officer	

Summary

This report sets out the Terms of Reference for the Gresham Working Party and requests that the Committee appoint four representatives for the ensuing year.

You are also asked to endorse the continuation of the delegated authority arrangements that you have previously approved for occasions when the Working Party's decisions require endorsement more quickly than usual.

Representatives to the Working Party were last appointed in November 2017. Given the recency of these appointments, together with the benefits of continuity associated with the ongoing funding negotiations, you are therefore asked to confirm that you are content to approve the continuation of those Members serving on the Working Party for the ensuing year.

Recommendation(s)

Members are asked to:-

- (a) note the Terms of Reference of the Gresham Working Party (paragraph 1);
- (b) appoint four representatives to represent the City Side on the Gresham Working Party; and
- (c) endorse the delegated authority procedures detailed in this report in relation to the Working Party (paragraph 7).

Main Report

Working Party - Terms of Reference

1. The Terms of Reference for the Gresham Working Party were agreed by the Joint Grand Gresham Committee (JGGC) in 2003/04 as follows:
 - i) The membership of the Working Party is agreed by the JGGC from time to time.
 - ii) The Clerk to the JGGC is the Clerk to the Working Party.

- iii) The Working Party deals with matters referred to it for detailed consideration and recommended by the JGGC (or exceptionally by the Chairman of the City Side and the Master of the Mercers' Company under the urgency procedure).
- iv) Where a matter is referred to the Working Party, authority is also given to consult and engage such professional advisers as the Working Party thinks appropriate and to agree fee arrangements with these advisers, using the urgency procedures as necessary.
- v) On completion of its investigations, the Working Party will report its conclusions to the JGGC together with its recommendations for further action. If time is of the essence, the recommended action may be reported directly to the Chairman of the City Side and the Master of the Mercers' Company for immediate action under the urgency procedures. The action taken will then be reported to the next meeting of the JGGC, for the record, in the usual way.

2. You are asked to note the Terms of Reference of the Gresham Working Party.

Working Party Membership

- 3. At their November 2017 meeting, the City Side agreed to the introduction of a protocol such that Members could not serve on both the Gresham Working Party (funding) and the Gresham College Council to avoid any potential conflicts of interest. At this meeting, the City Side appointed the following members to the Gresham Working Party
 - Simon Duckworth (to Chair the Working Party)
 - Christopher Hayward, in the room of Deputy Dr Giles Shilson
 - Deputy Edward Lord
 - Alderman Ian Luder
- 4. Mr Duckworth is currently the Chairman of the Working Party. Due to his experience with the College and knowledge of the ongoing funding negotiations, it is intended that he will continue to chair the Working Party after stepping down as Deputy Chairman of the City Side to ensure continuity.
- 5. The Working Party last met in March 2018, to discuss funding arrangements for Gresham College.
- 6. You are asked to re-confirm the decision made at your November 2017 meeting to appoint the Members listed above (see paragraph three) to the Working Party for the ensuing year.

Delegated Authority Arrangements

- 7. In terms of executing the decisions of the Working Party, it should be noted that, while every effort is made by the Clerk to arrange meetings of the Working Party so that recommendations can be made to the JGGC, this is not always possible or practical. From the City Side's point of view, recommendations of the Working Party may need the early endorsement of not only this Committee, but other

Committees and, on occasion, the Court of Common Council. For those reasons, it may be necessary to use Delegated Authority/Urgency Authority procedures in accordance with Standing Order No. 41.

8. Members are therefore asked to agree that delegated authority be given to the Town Clerk, in consultation with the Chairman and Deputy Chairman, to enable such other authorities as may be required in respect of Gresham Working Party matters to be obtained in an expeditious manner when necessary.

Conclusion

9. Members are asked to note the Terms of Reference for the Gresham Working Party and to appoint four Members to represent the City Side on it, as well as to confirm the existing delegated authority arrangements in place.

Appendices

None.
